NATIONALISTS SAY 21 RED SHIPS SUNK

Red Chinese Hold Fate Of Formosa

WASHINGTON (AP)—The next move in the Formosa crisis is up to the Red Chinese. More and more American officials are coming around to the view that they may make it with military force.

The importance of what the Reds may do overshadows a rift between the United States and Britain over the Quemoy, Matsu and other coastal islands.

With British support, the United States has established a firm line in defense of Formosa. Beyond this, the United States has in effect said it will fight a Chinese Communist assault on any of the offshore islands if President Eisenhower decides the move is aimed at conquest of Formosa.

The British, however, hold that Chiang Kai-shek's Nationalists should give up the offshore islands

Court House Elevator Plan To Be Studied

Common Pleas Judge John P. Case Friday named Attorney Ray R. Maddox as a member of the board which will pass on plans and specifications for an elevator for the Fayette County Court House.

The appointment was made by Judge Case under Section 153-36 of the Revised Code of Ohio, which reads:

"If the plans, drawings, representations, bills of material, and specifications of work, the estimates of the cost thereof in detail and in the aggregate, required in sections 153.31 to 153.35, inclusive, of the Revised Code, relate to the building of a Court House or jail, or an addition to or alteration, repair, or improvement thereof, they shall be submitted to the board of county commissioners, together with the clerk of the court of common pleas, the sheriff, and probate judge, and one person to be appointed by the judge of the court of common pleas, for their approval. If approved by a majority of them, a copy thereof shall be deposited with the county auditor and kept in his office."

It is understood an early meeting of those authorized to pass on the plans and specifications for the new elevator planned for the court house will be held soon.

Meanderings

By Wash Fayette

The telephone at police headquarters rang at 1:30 A. M., and Sgt. Charles Foster at the desk answered it.

It was a call from the Frank Rush residence on Oakland Avenue, with the information someone was stealing their chickens.

Sgt. Foster immediately contacted the police cruiser by radio and a few minutes later Patrolmen Rodmen Scott and Robert Williams were on the scene.

There was an unmistakable noise of at least one disturbed hen coming from the hen house, so Scott said he would enter the house. Williams was to keep watch so the chicken thief could not escape the back way.

A few moments after Scott entered the hen house with his flashlight in his left hand and his police special revolver in the other, Williams heard the sharp blast from Scott's gun and hurried to the front to assist if necessary.

However, Scott came out of the chicken house laughing.

"I killed the chicken thief," he said, and turned his flashlight upon an unusually large opossum which had been endeavoring to reach the one old hen perched as high as she could get.

Rush had lost six chickens to a thief the night of Dec. 29 and when he heard the disturbance caused by the big opossum, he quite naturally believed the thieves were back for another raid.

Apparently the opossum had frightened all but one of the hens from the coop, and he was trying vainly to reach her when Scott interrupted and shot him as he sought to escape.

Williams then radioed back to Sgt. Foster at headquarters:

"Rodman killed the chicken thief," he said.

"What!" exclaimed Sgt. Foster, who was all attention, until he learned the identity of the chicken thief.

About that time Greenfield police came on the radio and said:

"If you'll bring that opossum down here, we'll furnish the sweet potatoes."

and pull back to Formosa.

In this situation, the Communists have to decide whether they will try to take over either the coastal islands or Formosa itself by military means or by diplomatic maneuver. Under present circumstances, if they try by military means in either case it seems certain they will confront at the least a limited war with the U. S.

SEVERAL MONTHS ago the Chinese Reds began stepping up their threats to capture Formosa. They have increased the violence of propaganda against the United States.

Furthermore, diplomats here have heard, they have privately told Burmese and Indian leaders they intend to take Formosa this year and will be selling rice from Formosa by the year's end.

These private boasts, coupled with the increasingly strong public stands, are regarded as going beyond normal propaganda in such a situation. In effect, the Chinese Communist leaders are nailing themselves to a program of force.

That has some top American officials worried. However, officials declared that Secretary of State Dulles meant exactly what he said Wednesday night.

Dulles asserted that the free nations could not make concessions in the Far East to try to induce the Communists to be peaceful without gravely imperiling the confidence of the free peoples of Asia.

British officials are convinced that the Soviet Union is trying to use its influence to keep Red China from precipitating a big war in the Formosa area. The British themselves are using on the Chinese Reds all the persuasive arguments they can think of.

But neither they nor American leaders have any confidence that the Reds will not engage in some kind of military action.

Pineau Puts His Cabinet On Firing Line

PARIS (AP)—Socialist Christian Pineau put his proposed Cabinet and political platform on the firing line today, asking the National Assembly to confirm him as France's 21st postwar premier. He was given no more than an even chance for approval.

The schedule for the Assembly session called for Pineau to present his Cabinet and program in a speech immediately after the opening of proceedings, with debate following. Political wrangling could postpone the vote on approval until late tonight.

Victory for Pineau would end the two-week Cabinet crisis and make him the first Socialist premier since the resignation of Paul Ramadier in 1947.

The premier-designate needed a majority of the votes cast in the 627-member Assembly. However, anything less than the continuing support of about 310 members would leave his government on shaky ground. Some unofficial tabulations last night gave him less than 290 sure backers.

Pineau's program was typical of a Socialist candidate. It included provisions for wage increases and continuance of former Premier Pierre Mendes-France's negotiations to grant more authority to France's restive North African protectorates. He also was pledged to continue the fight for French ratification of the Paris treaties providing for the rearmament of West Germany. Approved by the Assembly, they still face Senate action.

Child-Attacker Gets Prison Term

LOVIS, N. M. (AP)—Odell Jeffries faces 25 years in the state prison, after pleading guilty yesterday to attacking 14-year-old Janice Wells with a hatchet.

The 19-year-old Negro, who confessed to the attack Wednesday night, was charged and sentenced quickly yesterday noon.

Mrs. Aileen Wells, mother of the victim, broken down at the arraignment and cried, "He didn't get nearly enough. My daughter 'll be scarred for life."

Janice, still in Clovis Hospital, was struck several times on the face with the hatchet. Jeffries broke down the door of the home and attacked her. He told police he didn't know why he did it.

Eagles Launch Balloons Here To Back Radio Free Europe

LAUNCHING BALLOONS from the city's big hook-and-ladder fire truck are (left to right) Charles Osborne, F. M. Kennedy and Raymond Emrick of the Eagles Aerie here. Looking on is Fire Chief George Hall (left background). Others who participated in the balloon-launching demonstration were Glenn Rodgers, John Weade and Earl Allison of the Eagles and Robert Terhune, chairman of the Crusade for Freedom, a fund drive to keep Radio Free Europe in operation.

Dramatizing the appeal for funds for Radio Free Europe, the Eagles Aerie here released seven helium-filled balloons Thursday noon. Each balloon, blazoned with the words "Crusade for Freedom," bears a message and a request for the finder of the balloon to notify the Eagles.

The balloons are just like those used to carry newspapers behind the iron curtain to combat Soviet propaganda. Some of these balloons, released from the borders of the free world, have carried more than 700 miles into the Communist territory.

The demonstration here is expected to illustrate how far the three ounces of helium in each balloon will carry it. Wherever the big plastic bags come to earth, the finders will see attached to each balloon a postcard addressed to the Eagles here.

Jefferson County Asked To Probe Poli Irregularities

COLUMBUS (AP)—Secretary of State Ted W. Brown said today he will submit to the Jefferson County prosecutor all data in an investigation of irregularities uncovered in voting in Toronto last November.

Brown's action broke a tie vote by the county election board on the question of submitting the evidence to Prosecutor Bernard McCann, One Republican and one Democrat on the board paired on each side of the question.

Brown said he uncovered evidence showing additional "X" marks had been penciled on ballots in an attempt to cancel votes for Democrat Thomas A. Burke of Cleveland. Republican George H. Bender, another Clevelander, noted Burke in the race.

Brown said, "the prosecuting attorney should be permitted to see if he can ferret out additional information, sufficient in all, to bring those responsible to justice."

NLRB's Armco Ruling Upheld

CINCINNATI (AP)—The U.S. Court of Appeals, Sixth Circuit, today affirmed a National Labor Relations Board order directing the Armco Drainage & Metal Products, Inc., of Washington, C. H., to bargain collectively with the CIO United Automobile Workers Union when requested.

The order, issued Aug. 13, 1953, also directed the company to cease alleged unfair labor practices.

Sea Power Hailed

NEW YORK (AP)—Secretary of the Navy Charles S. Thomas predicts no immediate war in Formosa Strait because for the first time in the cold war the Reds "came face to face with the harsh realities of sea power."

Water Storage Setup Studied

Ohio's Annual Rainfall Sufficient, Expert Says

COLUMBUS (AP)—A New Philadelphia man says Ohio's greatest water problem is that of acquiring storage facilities.

Bryce Browning, secretary-treasurer of the Muskingum Watershed Conservancy District, spoke at morning session of the four annual Ohio Water Clinic Conference at Ohio State University.

Browning said many authorities believe increasing costs of labor, equipment, seed and fertilizers will make it impractical for farmers to continue to gamble on availability of water. From a purely economic standpoint, he added, all crops must soon require irrigation.

"Despite wasteful practices," he said, "our annual precipitation is still sufficient for present and future needs if adequate use is made of it."

"Our greatest need is for finding and acquiring of adequate storage areas for our surplus rainfall in order that it may be available when needed."

"The increasing competition for valley lands by municipalities, utilities, industries, super-highways and other costly developments, endangers any surface storage problem. Except as the needs are quickly determined, there is great danger that the costs may become so high as to make the entire program seem financially impractical."

BROWNING SAID he recently has become "increasingly discouraged" as to the possibility Ohio will lead in providing the local initiative necessary to forestall expansion of federal water conservation programs.

"We are doing a wonderful job of talking," he said, "but I see little evidence of real action."

"The work done by the Governor's Water Advisory Committee and the Ohio Forestry Assn. is encouraging. But without further accomplishment it may have little effect."

He said the Ohio Conservancy Act, with certain needed amendments, offers "the most practical basis" for undertaking water studies and water programs.

More Than 1,000 Pages in Report

Southward Trial Court Report By 3 Specialists Costs \$1,488

Never before has a case in the common pleas court here received such prompt attention in the use of court reporting and transcribing the records for the following days sessions as in the trial of John Southward, who was acquitted Wednesday night of the murder of his wife, Ruth Coil Southward here last Sept. 8.

Judge John P. Case called in three outside court reporters to lessen the heavy load on the regular reporter, Miss Mildred Smith. He felt it would have been impossible for one court reporter to sit in the case by day and transcribe the testimony and court proceedings before the next day.

The outside reporters were Edwin Hammock and Don Pace of Columbus, both experienced in the use of the stenotype which was used almost exclusively in reporting the case.

Miss Marion Hall, of Chillicothe, was the third reporter.

Each day, by not later than 9 P. M. the full report of the day's proceedings had been put down in black and white and were available to court and counsel for reference.

Many times the court and attorneys referred to the report of proceedings during the trial; there was never any question as to the records.

There were more than 1,000 pages of typewritten record. Each day's report was separately bound and one copy given to the court, one to the defense and two to the state's attorneys.

Total cost of the court reporting by the three outside reporters was \$1,488, it was announced.

Hot Radiator Thieves Jailed

BALTIMORE (AP)—Three men were jailed here yesterday for stealing a radiator from an apartment building about to be dismantled.

Police testified the radiator was still heated—fresh off the pipes. As he sent Frank Johnson to jail for 30 days and gave Wallace Clavon and Harry Thomas 15-day terms, Magistrate Howard L. Aaron commented:

"I've heard about people who would steal anything but a hot stove, but here is a case of stealing a hot radiator."

Anti-Segregation Measure Studied

WASHINGTON (AP)—Sen. Ives (R-NY) today indicated he may propose an anti-segregation amendment to federal school aid legislation.

Three Burglaries Being Investigated

Sheriff Orland Hays is investigating two service station robberies in the county Thursday night and Madison County authorities are also probing a service station burglary at Mt. Sterling.

It is believed the robbery at Mt. Sterling and at the R. L. Cruse station in Bloomington were committed by the same person.

At the station in Mt. Sterling at the southwestern edge of the town, a glass and a tire were taken from a glass of a rear window was broken to gain admission.

At the Cruse station is Bloomington \$2 in money and about \$50 worth of groceries was stolen after a side window had been forced.

At the Sharrett Service Station in Jeffersonville, glass in a door was broken and \$1 worth of pennies stolen.

Dulles Taking Off For Asian Parley

WASHINGTON (AP)—Secretary of State Dulles flies toward the Far East today with a roughed-out plan for an eight-nation military council to coordinate defenses against communism in Southeast Asia.

The blueprint has many details yet to be filled in. It includes four main goals for a conference opening next Wednesday at Bangkok, Thailand:

1. To set up an organization. The Southeast Asia Defense Treaty was signed last Sept. 8 at Manila and since then all eight participating nations have ratified it.

2. To build military security. The treaty area covers all of Southeast Asia and the western Pacific below Formosa, including the Indo-China states of Laos, Cambodia and Viet Nam. Each treaty nation is pledged to act "in accordance with its constitutional processes" against armed aggression in this area.

3. TO CREATE safeguards against subversion. Just how this is done has not been made clear.

4. To foster economic welfare.

Again the outlook is clouded. Earlier talk about an American "Marshall Plan for Asia" or a more modest program of loans and grants has given way to "coordination of existing programs."

Dulles took all these aims into account in his speech at New York Wednesday night. He also cited a fifth:

"The Bangkok conference will enable the free nations of the West and of the East to begin a vital demonstration."

"They can show that, through association as sovereign nations, they can each help the other to independence, security and well-being."

A working committee of representatives of the eight Manila Pact nations (the United States, the Philippines, Pakistan, Thailand, Britain, France, Australia and New Zealand) has developed a military council concept which does not include any commitment of troops. Thus it differs from the North Atlantic Treaty Organization, which set up a vast military organization in Europe.

Ohio Solons Line Up Bills Carrying \$385 Million Total

COLUMBUS (AP)—Ohio legislators propose spending measures exceeding \$385 million while awaiting a state budget expected to carry more than double that sum.

Rep. J. Frank McClure (R-Ashland, House Finance Committee chairman, compiled the figures today from bills introduced during the first six weeks of the current session. He omitted proposed salary increases and duplication of identical measures.

Proposed appropriations included: \$28 million for local governments, 25 for capital improvements, 15 for school construction and repairs, 5 for a state archives building, 6 for Cleveland State Hospital, 5 for small dams on Ohio streams, 3 to hospitals for nurse training, 3 for Hawthornedon State Hospital, 5 for Longview State Hospital, 3 1/2 for poor relief, nearly 2 for a center for the physically handicapped and disabled, 1 1/2 for Gallipolis State Institute, 5 for an Ohio State University hospital wing, 4 1/2 for the Columbus State School, 12 for school buildings and 10 in four separate proposals for state hospitals at Dayton.

EXPRESSING concern over the willingness of some law-makers to spend state money, McClure warned that enactment of the multi-million dollar proposals would require new taxes.

He pointed out that Republican House and Senate leaders in the GOP-controlled Legislature have taken firm stands against new taxes.

Democrat Gov. Frank J. Lausche also has issued similar warnings. The governor said his budget to provide funds for operating the state for the next two years is being printed.

Without disclosing the total, Lausche said he probably would present his biennial budget to the Legislature Feb. 28.

Two years ago the governor asked

\$831 million to operate the state. The Legislature appropriated more than \$835 million. Recent estimates said Ohio would end the biennium next June 30 with a surplus of more than \$40 million.

McClure predicted the new budget would contain what he termed a more realistic estimate of revenues. That, he added, virtually precludes any state surplus.

Veteran legislators said McClure has continued the "treasury watchdog" attitude of a former finance chairman, the late Paul Ballard of Jackson.

When spending proposals in former sessions appeared to Ballard to be getting out of hand, he would take the floor and shout:

"Somebody seems to think we've struck oil under the Statehouse."

Detroit Lad Admits Slaying Of Girl, 9

DETROIT (AP)—A distraught father lifted the slashed and battered body of his curly-haired 9-year-old daughter from an ice-rimmed pond last night. Three hours later, a wayward 16-year-old youth admitted killing the girl.

The victim was pretty Kathleen McLaughlin. Her body was found near her parents' suburban home in fashionable Franklin Knolls.

Prosecutor Fred Ziem of adjoining Oakland County said Floyd Diamond, small for his age, admitted stabbing the child repeatedly with a jackknife and crushing her skull with a rock in a fit of passion that built up as he mauled her in roughhouse play.

The boy recently was released after a year in the Wayne County Training School. His stepmother, Mrs. Marge Diamond said he had been a "problem child" who never got beyond the fourth grade.

The father, John J. McLaughlin, 42, found the body in the pond during a search about two hours after the child was last seen by her family.

Police closed in on the skating pond area immediately after the slaying was reported and began questioning every boy they saw. Floyd was one of many boys picked up in police cars for questioning. Officers, not satisfied with his answers, went to his home and found blood-soaked clothing under his bed. They said he immediately admitted the crime.

Cars, Tank Tangle Cars Lose Quickly

COLUMBUS (AP)—An Army tank yesterday tangled with two parked cars on a downtown street. The cars lost.

No injuries were reported after the M41 light tank swerved away from one car and hit two others. Result: One car demolished, the other damaged.

After police investigation, the tank, driven by Sgt. John Haller of Ohio State University's ROTC department, continued on its way from the Columbus General Depot to the university.

Submarine Said Chief Prize In Air-Sea Strike

Chiang's Forces Say Communist Supply Convoy Battered Hard

TAIPEI, Formosa (AP)—The Chinese Nationalist air force claimed one of its bombers sank a submarine off the Red-held Taishan Islands this afternoon while other planes and warships wreaked havoc on a Chinese Communist troop supply convoy.

The air force said the bomber went into a power dive and bombed and strafed the sub, scoring direct hits and causing bubbles to rise as it went down.

Planes patrolled the area for a long period but found no trace of the undersea craft.

Russian submarines are known to be cruising Asiatic waters. Western observers believe that if the Red Chinese have any undersea craft at all, they are on loan from Moscow.

In the same East China Sea area Nationalist warplanes and ships claimed at least 21 Red vessels sunk, with indications the battle would go on through the night.

If the Nationalist claims are confirmed, it would be the most severe defeat they have ever administered to the Reds.

The ministry said the Reds lost eight landing craft, five gunboats and eight armed motorized junks, plus other unspecified craft. The landing craft were believed to be carrying about 200 soldiers each.

The ministry said the Nationalist warplanes also attacked the Red-held Taishan Islands, destroying eight barracks and causing heavy Communist casualties.

A ministry spokesman said the Red flotilla was cruising southward toward the Taishans when the Nationalist warships intercepted it. Chiang Kai-shek's warplanes also raced out to attack.

THE MINISTRY said none of the Nationalist ships was lost. The sea battle erupted off the Chekiang province coast about 130 miles northwest of Formosa between the Nationalist outpost of Nanchishan and Taishan.

The Red convoy was spotted at 7:50 a. m. moving southward from the Wenchow Bay area. Two warships and the gunboats were conveying the landing ships.

In the first 30 minutes of action, seven Red landing craft were sunk, Col. Lu Ta of the Defense Ministry said. He reported three of the gunboats were set afire.

Lu said the small transports were loaded with troops and supplies but he refused to speculate on their mission. Possibly the Reds were building up their garrison on Taishan, 15 miles off the coast, for an assault either on Nanchishan to the north or on Matsu to the south.

Taishan is about 90 miles southwest of the Tachen Islands, which the Nationalists abandoned last week to the Reds.

Far to the south, Chinese Red batteries on the mainland hurled 90 shells at the Nationalist garrison on Quemoy earlier today, the ministry said. The Red guns fell silent when Nationalist artillery answered.

The Nationalists have voiced their determination to fight for their remaining outposts of Quemoy, Matsu and Nanchishan with or without U. S. help.

Woman Sentenced For Relief Fraud

CLEVELAND (AP)—Mrs. Juanita Hudson was sentenced yesterday to one to three years in the Marysville Reformatory for relief fraud. The 34-year-old woman pleaded guilty.

Investigators said she received \$3,701 in relief payments between Nov. 18, 1950, and July 18, 1951. They added she had taken the money and concealed from investigators that her husband was working and that she was employed as a hotel maid.

She was on relief for 10 years, until November, 1953.

Pigeon-Helper Hurt In Mishap

SAN FRANCISCO (AP)—Billy Bacon, 24, halted his car when he saw the injured pigeon at an intersection.

He hopped out to move the bird out of danger, and right into the path of another auto, which knocked him down, broke his leg and killed the pigeon.

'Cancer Month' Plans Laid Here

April Campaign Begins To Take Form

Plans for the observance of "Cancer Month" here in April today were beginning to take on more definite form, although many of the details remain to be worked out.

Many of the loose ends were pulled together at Thursday night's meeting of the executive board at the home of Dr. and Mrs. N. M. Reiff.

Some of the definite decisions reached at the meeting were to try to concentrate the campaign this year in one week, to start it with a kickoff meeting on April 17, place coin collection boxes in places of business throughout April and a goal of \$4,000.

Harold Hazard, the president of the Fayette County Society, and Mrs. Howard S. Harper, the general chairman of the campaign, said after the board meeting that they are "pleased with the way everything is shaping up."

The war against cancer is waged along three different fronts: education, research and service. The attack on the malady is carried on from these three directions throughout the entire year.

However, to maintain the attacks, funds must be raised and that's what is to be done all over the country during April, with emphasis on the week of April 17.

Besides soliciting funds, the crops of canvassers who are to go from house to house is to leave information pamphlets about cancer detection and treatment as a part of the year-round education campaign.

THE BOARD agreed at its meeting Thursday night that an effort would be made to complete the canvass in Washington C. H. in the one day—Sunday, April 17—but it expressed the belief that a week should be allotted to the canvass in the rural area of the county because homes were not so close together.

Just what the kickoff meeting will be and where it will be held is to be worked out later. However, indications are that someone well informed on the cancer program will address the gathering.

At the meeting in addition to Hazard, Mrs. Harper and Mrs. Reiff were Mrs. Don Mossbarger of Bloomington, the county campaign chairman; Mrs. Robert Sanborn, the city campaign chairman; Mrs. William McArthur, the recording secretary; Mrs. Elmer Reed, the executive secretary; and George Inskeep, the treasurer.

The Phi Beta Psi sorority has supported the Cancer program here for several years and is the backbone of the fund-raising as well as the year-round three-pronged attack on cancer.

Personal Property Listing Under Way

Listing of personal property for taxation, and paying at least half of the tax, is now under way, and the number of employees of the office of County Auditor Ulric Acton has been augmented to assist listers.

Listing of personal property will continue until the office is closed March 31, and during that time it is expected the force at the auditor's office will be kept busy.

Personal property owners are asked to make their listings as soon as possible, and avoid the rush which invariably comes during the final days of listing.

Every assistance possible is being provided by the helpers at the auditor's office, and already many persons have looked after this important business.

Mrs. Randall Morton, 1014 Lakeview Avenue, was admitted to Memorial Hospital, Friday morning, for observation and treatment.

Mrs. Harvey Shoemaker was returned from Memorial Hospital, to her home, 311½ Bereman Street, Thursday afternoon in the Kirkpatrick ambulance.

Mrs. Rena Boggess, Route 1, was admitted to Memorial Hospital, Thursday morning, where she was treated for a fractured arm and released Thursday evening.

David G. Looker of the Waterloo Road, who was inducted into the Army Monday, February 14, is stationed at Fort Knox, Kentucky, for his basic training.

Mrs. Earl White was released from Memorial Hospital, to her home on the Good Hope—New Holland Road, Thursday afternoon. She had been a medical patient.

Mary Jo Hoppes, daughter of Mr. and Mrs. Herbert Hoppes, Route 1, Greenfield, entered Memorial Hospital, Thursday evening for surgery Friday morning.

Annell Compton, Route 2, Sabina, was released from Memorial Hospital Thursday afternoon. She is recovering in following emergency surgery.

Mrs. Ralph Cummings, Route 3, was admitted to Memorial Hospital, Thursday afternoon for an emergency appendectomy.

After being a surgical patient in Memorial Hospital, Mrs. Earl Stewart was released Thursday afternoon to her home, in Mt. Sterling.

Nancy Jones, daughter of Mr. and Mrs. Charles E. Jones, 816 East Paint Street, underwent a tonsillectomy, in Memorial Hospital.

Bryan Mickle was released from Memorial Hospital, to his home, Route 1, Mt. Sterling, Thursday afternoon. He had been treated for a fractured leg.

Lawrence Gregg was released from Memorial Hospital, Friday morning and taken to the William Rest Home in the Kirkpatrick ambulance. He had been a medical patient.

Eldon Knisley, Route 1, South Solon was admitted to Memorial Hospital, Thursday afternoon. He is being treated for injuries suffered when his arm was caught in a buzz saw.

Mrs. James Forsha and infant son were returned from Memorial Hospital, to their home on the Wilmington Road, Friday morning, in the Kirkpatrick ambulance.

After being a medical patient in Memorial Hospital, Mrs. Tishie Legg, was released Thursday afternoon to her home, Route 1, Sabina.

Forest Stevens, Jr., 607 East Paint Street, underwent a tonsillectomy in Memorial Hospital, Friday morning.

T. E. Clemmer was returned from Memorial Hospital, to his home, 628 Campbell Street, Thursday afternoon. He had been a patient for observation and treatment.

Discussions Held By Symposiarch

Committees Named By New President

Three major current issues were given a thorough going-over at Thursday night's meeting of Symposiarch following the dinner at the Country Club.

Hugh B. Sollars took over the gavel as the chapter president for the first time at this meeting. He succeeded William Junk.

Willard Perrill, who had charge of the program for this meeting, was introduced by Belford F. Carpenter. And, as do most of the introductions of the speaker-of-the-evening at this organization's meetings, Carpenter dug up many little-known and almost forgotten incidents in Perrill's life and laid them bare before his fellow Symposiarchs.

After getting the attention of his audience with a story about the man who knocked a mule down to get his attention, Perrill set up an open forum for discussion of: (1) the administration proposal for a federal health and hospitalization program; (2) the Dixon-Yates contract for Tennessee Valley Authority power and (3) a proposal to raise the salaries of congressmen and senators by more than 50 percent.

As a side issue, when the argument warmed up on the congressional pay hike, the proposal to increase the salaries of federal judges was brought up.

WITH PERRILL as the moderator, most of the group expressed their views on one or another of the issues. Despite the admission that they all were highly controversial questions and opinions were expressed with vigor, the moderator kept the discussion moving.

No conclusions were to be reached and there was no adjudication of the debate, but it was obvious that there was no unanimity of opinion or conviction; there were plenty of disagreements.

The new president appointed two committees and the executive board.

On the executive board he named Harford Hankins, Dr. F. D. Woolard and Louis Baer.

V. F. Crawford, Harry Fox and Bob Craig were placed on the membership committee and Joseph Campbell, William Junk and Otis Core were put on the committee to arrange for a delegation from the Washington C. H. chapter to attend the convention, which is to be held in Columbus this year April 2.

Colin C. Campbell said he felt the chapter here should be represented at the convention by a big

group because one of the chapter, Belford Carpenter, is the national vice president and is in line for the presidency.

Elmer Reed, a new member of Phi Gamma Delta fraternity at Washington and Jefferson University in Washington, Pa., was at the meeting but his induction was postponed for another month.

With the group involved in arguments, the meeting lasted nearly an hour longer than usual. And, after formal adjournment, many remained to continue the discussions.

Second Cruiser Is Added to Equipment

A second police cruiser has been placed in service by the city and adds greatly to the efficiency of the department.

A second cruiser has long been needed, it is pointed out, to meet constantly increasing traffic and crime problems, and make a second cruiser available in case one is tied up and the other is needed.

With the additional cruiser it will be possible to thwart the shrewd law violators who keep an eye on the location of the cruiser to commit crimes elsewhere in the city while the police are absent.

The reckless operator may now find he has eluded one cruiser, only to bump into the second cruiser out to see that laws are not violated.

It will also be possible to move prisoners to institutions to which they have been committed, without necessity of using a private car and paying mileage.

Also the second cruiser can be used to bring prisoners here from other points, without using a private car.

The need of two cruisers has been pointed out for a number of years, and this week the second car, a Ford Special, was placed in service.

Judge Voids Indictments

COLUMBUS (AP)—Common Pleas Judge Ralph J. Bartlett has sustained motions of Prosecuting Attorney Frank H. Kearns and his county detective, Fred W. Selby, to quash embezzlement counts against them.

The court's ruling means 16 of 22 grand jury indictments against Kearns and 11 of 13 against Selby, all pertaining to embezzlement of county funds, now are void.

Still remaining are charges of soliciting a bribe and compounding a crime against Kearns and Selby jointly, and bribery, obstructing justice and a single count of embezzlement against Kearns alone.

Blessed Events

Mr. and Mrs. Joseph Jarrell, of Leesburg, are the parents of a seven pound, four ounce son, born in Memorial Hospital, Friday at 7:16 A. M.

A daughter, weighing five pounds, eleven ounces, was born in Memorial Hospital, Thursday at 7:42 P. M., to Mr. and Mrs. Virgil Wilson, 1038 Broadway.

Mr. and Mrs. Herbert Ross, Route 1, are the parents of a son, weighing seven pounds, fourteen ounces, born at 4:40 A. M. Friday, in Memorial Hospital.

County Scouters Meet To Plan March Program

"Fit for camp" was the theme of the monthly planning meeting of Fayette County Boy Scout executives.

The Scouters planned March activities to fit in with the theme as they met Thursday evening for a chili supper at the Grace Methodist Church.

The scoutmasters' round table meeting, held at the same time as the meeting for members of the district committee, was devoted to making plans for participation by local units in the forthcoming Scout-O-Rama.

Our Fight Against Illegal Narcotic Traffic

Recommendations by Attorney General C. Williams O'Neill to the Ohio General Assembly, relative to plans for stronger Ohio narcotic laws, have been receiving a great deal of publicity in our state, and rightly so.

A two forked attack upon Ohio's illicit narcotic traffic is being pushed in the legislature to implement better and more drastic enforcement and laws with "more teeth" in them.

People are few and far between who do not recognize that the growing volume of illegal traffic in narcotics is becoming an outstanding problem of our time.

Especially is this true among many younger people including many "teen-agers". It is in this group that juvenile delinquency demands so much attention and use of narcotics is one of the worst factors discovered among lawless "teen-agers."

O'Neill declares: "We must protect our young people. "Anyone convicted of selling or giving narcotic drugs to a person under 21 years of age should be punished by imprisonment for periods ranging from 30 years to life, and no probation should be permitted."

Attorney General O'Neill also suggests

that drug "dealers" be given a mandatory sentence of 10 years to life and fined up to \$10,000; that anyone caught processing narcotics be imprisoned for periods of 2-30 years and fined up to \$10,000.

He proposes other changes. Among them are stiff penalties for anyone caught growing marijuana; for "dope boosters" who induce others to take drugs; for owners of businesses licensed by the state who cater to addicts; persons who steal drugs from a doctor or pharmacist. He suggests that "any vehicle used in the violation of any narcotics law be seized and forfeited," and proposes state medical facilities be used to assist in curing drug-users. (At present Ohio has no facilities whatsoever exclusively for treatment of addicts.)

Ohio is regarded as an "island" state; its narcotics laws are less severe than those of neighboring states; "dealers" naturally find it easier to operate in Buckeye country than in any of the five contiguous states. Attorney General O'Neill wants to correct this dangerous situation. The Ohio General Assembly will doubtless back him up. Certainly every effort should be made to squeeze the loathsome Ohio drug racketeer out of business. Every citizen should help.

Diet and Health

Buerger's Disease Hits Chiefly Men

By HERMAN N. BUNDESEN

Many diseases are more prominent in one sex than in the other. Buerger's disease is one of these. This painful, often crippling, ailment is almost entirely confined to men, usually those between 39 and 45.

Many Victims Smoke Heavily

What causes it, we don't know. Many patients are known to have been extremely heavy smokers, and, if you've got Buerger's disease, I strongly advise you to give up tobacco in all forms.

Stated simply, Buerger's disease is a spasm of the blood vessels which interferes with the supply of blood to your limbs. Usually your legs are affected, but occasionally it develops in the arms.

First Symptom

The first indication is usually a pain in your calves, caused by exercise, such as walking or running. After a short rest, the pain stops. Later on, there is a severe burning pain in your feet and legs. Ordinarily one leg is affected first, but eventually both usually are stricken.

As the disease progresses, you might not be able to walk more than a hundred yards before the pain in your calves forces you to

halt. After a few minutes rest, you can resume walking, but you won't go very far before the pain returns.

General Rules

Your doctor, of course, will prescribe the proper treatment for you. There are also certain general rules you should follow.

Be especially careful of your feet. Wash them each morning in tepid water, using a bland soap. Pay particular attention to the spaces between your toes, drying them without rubbing. Sprinkle your feet with foot powder.

Socks and Shoes

File your toenails. Wear a clean pair of socks each day. Use shoes which do not bind. Make sure there are no tears, wrinkles or nails inside your shoes. Don't walk in your bare or stocking feet.

Avoid exposure to cold. Don't sit with your knees crossed.

Don't Cut Corns

Don't use salves, medicated pads or antiseptics unless prescribed by your doctor. Don't cut corns or callouses. Don't use hot water bottles, electric pads or sun lamps to warm your feet. You've got to avoid burns at all costs.

AUCTION!

The Webber C. French farm has been rented to the undersigned who are liquidating at auction the entire inventory and premises of said farm on Egypt Road, 1-10 mile south of New Holland, 17 miles west of Circleville, and 10 miles east of Washington C. H., on

MONDAY, FEBRUARY 28
BEGINNING AT 10 A. M.

107 — CATTLE — 107

37 Holstein Dairy Cattle—8 cows, 6 and 7 years old, and 14 cows, 2 to 5 years old, 6 are recently fresh, some to freshen by day of sale and others to freshen during next 3 months; 15 Holstein heifers, 12 to 18 months old, not bred.

DAIRY EQUIPMENT—One 2-unit surge milking machine; electric water heater; five 10-gallon milk cans; double wash vat.

70 HEREFORDS—42 heifers, 11 with calves by side, some to calf soon and 20 bred to calf in early summer. 28 Hereford steer and heifer feeder cattle. All Bang's tested.

HOGS AND SHEEP

25 Pure Bred Hampshire brood sows, some with pigs by side and others to farrow by sale day. 3 purebred Hampshire boars. All double treated.

SHEEP—100 Western cross bred White Face ewes, 3 and 4 years old; 87 purebred Suffolk ewes, 3 and 4 years old; 6 pure bred Suffolk bucks. This is a choice set of ewes, some have lambs by side and others to lamb soon.

FEED—1000 bales alfalfa hay and 500 bales alfalfa mixed hay, all in barn. One silo of grass silage.

FARM MACHINERY

5 TRACTORS—1 FARMALL M. with hydraulic lift cultivators and 3-bottom 12-inch breaking plows on rubber. 2 FARMALL C. tractor, one with cultivators and 2-bottom 12-inch mounted breaking plows. 1 FORD tractor and 7-ft. rear mounted mower, manure loader and food cutoff saw.

1 REGULAR FARMALL tractor; a three-bottom 14-inch M. M. breaking plow on rubber; 1 new IHC 45 top twine baler, only baled about 500 bales; 1 M. M. Bale-o-matic wire tie baler; 1 M. M. pto No. 69 combine. 6-ft. 1 M. M. Model D. pto sheller; one IHC forage harvester; one IHC corn chopper; one IHC blower; one 2-row 2 M. model IHC mounted corn picker; one IHC 16 by 7 grain drill on rubber; one IHC 4-row corn planter on rubber; one IHC side delivery rake; one M. M. side delivery rake; one IHC 7-ft. power mower; one IHC heavy duty double cutter; two IHC rubber tire wagons with grain beds and electric driven unloader aprons with motor; a 4-wheel hydraulic dump trailer with steel bed; one cultimulcher; cultipacker; one rotary hoe; one spring tooth harrow; 1 stock shredder with pto; 2 New Idea rubber tire tractor spreaders; 1 Harvey 36-ft. grain elevator with motor; Harvest Handler elevator with motor; 2 Smidley 12-ft. drags, one J. D. subsoiler; 1 Earthmover one was disc; 1 Dyring's 2-wheel field or cattle sprayer with motor; 1 irrigation system with a lot of pipe; one sheep shearing outfit, gasoline engine driven; 3 electric motors and many other miscellaneous tools and small items.

HOG EQUIPMENT—25 complete farrowing units; 6 large Smidley hog feeders; 7 large Smidley hog sleepers; 3 winter hog fountains; several sheep racks and feeders; mineral feeders, etc.

CATTLE EQUIPMENT—All weather cattle salt dispensers; cattle feed racks and boxes; mineral boxes.

If you want good livestock or equipment for your farm you should find it here.

NOTE—The above is the personal property on the French Farm; nothing has been added for this sale. Inspection permitted any time. As this is an extra large sale we expect to begin promptly. Come early. Terms—Cash. Good lunch to be served.

Patronage System Dying

By Ray Tucker

WASHINGTON — The political patronage situation in the nation's capital has become a comedy of errors.

Suspicious Democrats on Capitol Hill have set up a watchdog squad to make sure that the Eisenhower Administration does not load down the federal government with Republicans fired from their state positions by newly installed Democratic governors in New York, New Jersey and Pennsylvania.

Meanwhile, GOP politicians from Albany, Trenton and Harrisburg run excursion trains to Washington to find out why President Eisenhower has not "turned the rascals out." There is, of course, no invidious meaning in this use of the word, "rascal." He is simply a fellow holding a job wanted by a "patriot," who happened to pick the winner in the last election. They are relative and exchangeable terms.

EAST STATES—Although patronage complaints stem from every state, the three eastern states are the Administration's chief concern for obvious reasons. Under Republican control for many years, they had become a Social Security haven for thousands of GOP jobholders. They are being turned out as fast as Governors Harriman, Meyer and Leader can dig up Democratic replacements.

Finally, and most important, a candidate for President has only a bare chance of election or reelection unless he carries one or two or three of these electorally influential commonwealths. The only other states of relative importance are Illinois and California, which are under Republican control at the moment.

What the patronage soreheads do not realize, despite attempts to educate and placate them by Republican National Chairman Leonard W. Hall and White House dispenser Sherman Adams, is that the old-fashioned "spoils" system is as outmoded as the horse-and-buggy method

of travel from the three state capitals to Washington.

UNTOUCHABLE—In the first place, 20 years of unbroken Democratic rule have helped to kill and discredit the ancient system. Presidents Roosevelt and Truman blanketed many thousands of jobs under Civil Service, and made them untouchable by grasping and hostile politicians.

It may be conceded that F.D.R. and the Missourian expanded the Civil Service umbrella for selfish and partisan motives, and not on the basis of high principle. They simply sought to anchor Democrats in their jobs. But the fact remains that, regardless of their reasons, they did extend the merit system as never before. They enlarged Civil Service coverage and protection.

SPOILS—Now, contrary to popular opinion, the Civil Service idea does not automatically mean economy, efficiency, or perfection. It can be—and it often has been—manipulated, neglected and operated on behalf of political spoilsmen. But its basic purpose seeks selection of the right man or woman for the right assignment.

The same philosophy generally applies to Army promotions, and thus the Civil Service selective methods appeal to Eisenhower as a military man. They also command the support of Philip Young, chairman of the Civil Service Commission.

REASONS—But there are other more practical reasons why

Republicans cannot satisfy their patronage needs and demands under the first Republican Administration in 20 years, to wit:

Civil Service records reveal that about one million federal jobs have changed hands during Ike's first two years. It would appear from these statistics that one million "patriots" had been rewarded. But here are the facts:

About 800,000 positions were under Civil Service, and, therefore, untouchable. More than 100,000 were overseas, and were not attractive to the home guard of patronage applicants. The Foreign Operations Administration is due to die on June 30. Another 50,000 consisted of poor-paying, seasonal jobs which nobody wanted.

In short, patronage as an incentive to political activity is virtually a vanishing asset for either major party on the federal level.

Man Said Guilty In Kidnap Case

COLUMBUS (AP)—A federal court jury yesterday convicted Charles F. Noonan, 26, of Columbus, of kidnapping Mrs. Kathryn Lang, 26, of Homestead Park, Pa., and of transporting stolen car.

The verdict came after Noonan testified Mrs. Lang had picked him up on the outskirts of Pittsburgh and submitted to his embrace during the drive Sept. 3. Mrs. Lang testified Noonan entered her car and after telling her he had a gun, ordered her to drive to Columbus.

The Civil Service Commission of the city of Xenia, Ohio, will conduct examinations on March 15th 1955 for the purpose of creating eligible lists from which appointments may be made to both Police and Fire Departments. Applications blanks and further information may be secured from the Clerk of the Civil Service Commission, room 102 City Hall, Xenia, Ohio. Applications must be filed with the said Clerk not later than 2 o'clock P. M. March 10th, 1955.

Civil Service Commission of the City of Xenia, Ohio
A. V. Perrill, Clerk

Planned Animal Parenthood

By Hal Boyle

NEW YORK (AP)—A new humane movement in America has as its goal planned parenthood for animal pets.

We are a cat-and-dog-loving people. No country spends more money in the care and feeding of its pets. Probably no other country has as many animal hospitals or cemeteries for pets.

Yet still more than two million unwanted, homeless animals must be put to death each year in dog pounds and animal shelters.

Here is the reason, as given by Helen Jones, educational activities director of the newly organized National Humane Society:

"There are some 49 million dogs and cats in American homes, and the number increases about 5 per cent each year. But there are also at least 15 million homeless dogs and 25 million homeless cats, and they are increasing even more rapidly.

"These stray unloved animals are smothering and bankrupting the nation's humane societies and municipal pounds.

"At present they must be put to death. The tragic killing must continue while the surplus continues. But the humane movement must begin to prevent the breeding of unwanted animals in-

stead of merely killing."

Miss Jones believes few people realize the scope of the problem because they so seldom see the suffering endured by abandoned animals. She spoke bitterly of pet owners who drive out on the highway to dump unwanted puppies or kittens. She said:

"They don't realize that animals which have been domesticated by mankind cannot revert to the wild state and live off the land.

"Some do, of course. Frequently humane societies receive reports of so-called 'wild' animals seen at the outskirts of woods. These animals often turn out to be full grown dogs, choking to death from collars placed on them when they were puppies. "But most of the castoff animals perish as a result of hunger, disease or bad weather."

The new humane society blames the situation largely on irresponsible pet owners. It plans a national campaign to induce them to avoid overbreeding their animals.

"This isn't just emotionalism," said Miss Jones. "We've reached a saturation point in homeless animals."

Can't existing humane societies do the job? Miss Jones doesn't think so.

"Today there are fewer than 700 humane organizations in the

entire United States," she said. "They operate largely on a local basis, and most of them are concentrated on the East and West Coast.

"At least 2,970 communities need organized humane work. It has become a national problem."

The new NHS will cooperate with the SPCA and other groups in the field, she said, but will operate its own separate animal shelters. The society doesn't oppose vivisection, but will refuse to turn over animals from its own shelters to scientific laboratories.

"We feel that anyone who turns an unwanted animal over to us has the right to know that it either will be placed in a new home or given a painless death," said Miss Jones.

Other NHS goals:

To see that laboratory animals are properly cared for and subjected to no unnecessary cruelty.

To improve the slaughtering methods of the half billion meat animals and fowl butchered in America each year.

A constructive example of what the society favors: one midwest packing company now uses an immobilizer filled with carbon dioxide to render hogs unconscious before they are shackled, knifed and bled.

The Case of Harvey Matusow

By George Sokolsky

I have seen Harvey Matusow four times; he has been to my home twice, and on one occasion danced a Russian kazatski which takes some doing. In his forthcoming book, he suggests that I live in what looks like a castle overlooking the Hudson river, which may or may not be important except that even with regard to such a detail, Matusow becomes confused. My house is a block from the Hudson River, and when I look from my window, I can only see vast collections of bricks called apartment houses but which I prefer to refer to as tenements.

This little item has, for me, held the key to the curious mentality of Harvey Matusow and explains why for more than a year I have not answered his telephone calls. The last time I saw this confused man was in Toots Shor's restaurant. He told me that he was through with being an informer. He had become an actor. He had changed his name to Marshall. He showed me a scrapbook of pictures of himself with many grimaces and twisted faces, all to indicate that he is a wonderful character actor.

Harvey Matusow struck me as a person who could not make up his mind why he once was a Communist, why he became an anti-Communist, why he became an informer, why he has now returned to associations with men who have not left the party. In a word, he suffers from the confusions that must come to a drifter from one situation to another for no apparent reason. He has not, in my conversations with him, indicated that he is thoroughly grounded in any phase of the fields in which he wants to be active. Apparently, his principal compulsion is, he active.

In the struggle between Communists and anti-Communists, the former party member has a place. From a prolonged and intimate experience with such per-

sons, I am convinced that without the ex-Communist, nothing could have been accomplished in this country to lessen the mischief of a thoroughly organized and well-directed conspiracy. Some of these ex-Communists are called informers because they have testified to the FBI and to Congressional Committees and in court cases. Some are called "professional informers" because they have accepted per diem fees for their services, generally because they could not afford the expenses attached to such testifying.

Calling these persons bad name in no manner explains the trials and heart-aches through which they pass while they are preparing to leave the Communist Party, or when they testify against former friends and associates. No one has become rich by the per diem fees which they receive.

The ex-Communists are of a variety of intellectual and political positions and they quarrel among themselves. It is possible, over the years, to know who are sincere and stable converts from Marxism. Those who say, "once a Communist, always a Communist," deny the fundamental Christian doctrine of confession of error and repentance. Among the truest opponents of Communism that I have encountered are men and women with whom I

disagree on certain other fundamentals — socialists, labor union activists, and certain liberals. They have moved away from the doctrines of Marx and Lenin; they have not gone all the way to Republican conservatism.

It is unreasonable and intellectually dishonest to condemn all these opponents of Communism because their opposition is not based on the same grounds as that of Westbrook Pegler or Bishop Fulton Sheen or even myself. Their grounds are their own and are as valid as our grounds and their sincerity can only be questioned by those who made a cult of anti-Communism and develop a debauching bigotry on the subject.

When men depend on the sincerity of a convert to a cause, it is to be expected that occasionally there will be a fraud. It is even to be expected that the Communists will plant an informer, so that important cases against will be spoiled. It is also possible that a person may be corrupt, or may be a double agent, or may be an opportunist who seeks the dollars wherever they can be found.

The fact that one informer gets twisted should not reflect on all those who provide information, often at great personal sacrifice, because they believe that it is best for America.

THE BIBLE
Was Not Given By Any Denomination

Freedom of the press permits men to express themselves as they please. There are times, however, when some things need to be taken to task. We are thankful that the freedom of the press permits this also. Recently, we have been told that, a certain religious denomination gave the world the Bible. We do not believe this. We are using the freedom of the press to answer this claim.

No denomination gave us the Bible. The bold, unwarranted assertion, that a denomination gave us the Bible, does not in itself sustain the claim. Holy men, who were divinely inspired and guided by God, wrote the 66 (not 73) books of the Bible. (2 Peter 1:20-21, and 2 Timothy 3:16-17.) It was completed by 100 A. D. Check your history. Not one of the present day denominations existed, for more than 500 years; after the completed Bible was given to mankind by God. The beginning of organized denominationalism is traced from about 300 A. D. It is very absurd then, to claim that any denominational body gave us the Bible, when the completed Bible was in existence for some 500 years before any denomination.

Early writers (who wrote, beginning with the second century A. D.) quoted from the Bible so freely, that the New Testament could be al-

most, if not entirely reproduced from their writings. This shows us that they had access to the Bible and were familiar with it. Would it not be foolish to say, that God expected men to do certain things in order to be saved; yet he did not give them the means of knowing what these things were, for almost three hundred years after Christ's death? If we were to claim that men did not have access to the New Testament scriptures, for such a long period of time; we would contradict the facts of history and make an unjust Being out of God. One early writer is said to have quoted from the New Testament 17,922 times in his known writings!

NO! The Bible was not given to us by any denomination. GOD GAVE US THE BIBLE. We would have it today, even if denominationalism had never existed. God gave it to the world in its purity. The only SURE GUARANTEE of its inspiration, does not rest in the authority of any denomination, but in the fact that men who wrote, were inspired by the Holy Spirit and wrote as they were directed by God. It has been preserved for us in its purity by God, not fallible men.

The Church of Christ, stands ready to discuss privately or publicly with anyone, the way in which the Bible has come to us.

Garden Club Entertains At Guest Day

Members of the Busy Bee Garden Club entertained at a "Guest Day" meeting in the Methodist Church in Jeffersonville, Thursday afternoon and members of all Garden Clubs of Fayette County were included.

Potted begonias and arrangements of flowers were used in the church sanctuary.

Mrs. Glen Hir Brock, president, opened the meeting and welcomed the guests and presented Mr. Marvin Dement, soloist who sang, "Trees" by Joyce Kilmer and "In My Garden" by Ida Belle Firestone accompanied by Mrs. Wayne Hill at the piano.

Mrs. Brock introduced the guest speaker, Mrs. Walter Hughes of Clarksburg, Regional Director of District 9, who used as her topic, "Garden Gold," in which she advised the planning of gardens to insure a succession of blooms from early spring till late fall, starting with tulips, hyacinths followed with perennials and annuals, which included roses and chrysanthemums for late flowers.

She closed her most interesting talk with the poem, "Into My Garden" and displayed most unusual winter arrangements in attractive colors which she had cleverly combined.

Mrs. Brock also presented Mrs. Ray Shoemaker, a member of the Busy Bee Club, who in a skillful manner made arrangements, among them a beautiful combination of red carnations and white snapdragons which was most outstanding.

Mrs. Brock presented a quartet of girls from Jeffersonville High School made up of Misses Beverly Baughn, Joan Little, Sharon Kay Warnock and Pauline Davis, who were accompanied by Miss Karma Kay Knox, singing "Sincerely" and "If I Give My Heart To You."

The members and guests numbering about seventy, later assembled in church dining room where dainty tea delicacies were served from a table covered with a hand-made lace cloth, centered with an arrangement of red carnations and white snapdragons, with Mrs. John Sheeley and Mrs. Glen Hir Brock, presiding over the silver service at either end of the table.

Soft music during the hour of the tea was furnished by Miss Mary Ann Creamer, pianist.

Council Members Of Camp Fire Hold Meeting

The Washington C. H. Camp Fire Council members, held a dinner meeting in the private dining room at the Washington Hotel, Thursday evening, and table decorations were carried out in an arrangement of red white and blue flowers, which symbolized the colors of Camp Fire Girls.

Mrs. James Chakeres gave the invocation, preceding the serving of the meal and following the pleasant dinner hour, Mrs. Don Wood, president of the council, welcomed the members present and introduced the guest speaker, Mrs. Rollo Hodge.

Mrs. Hodge spoke on the subject "Community Health" and told how food, clothing and housing are all factors contributing to the state of health of people.

She also highlighted her most interesting talk with many personal experiences.

During the short business session, it was decided to hold regular monthly council meetings in the future, and the next meeting was planned for March 21 at the home of Mrs. Donald Murdock.

Mrs. Robert Edgington and Mrs. Carl Preston, are to be in charge of arrangements for all Camp Fire Groups to attend church in a body on Sunday March 13, and Mrs. Jane Kerns and Mrs. Donald Murdock will plan a birthday party for the girls on Saturday March 19.

The committee in charge of the dinner was composed of Mrs. Robert Brubaker, Mrs. Donald Murdock and Mrs. Richard Willis Sr. Other members there were Mrs. Frank Reno, Mrs. O. A. McClung, Mrs. Virgil Jones, Mrs. Donald Moore, Mrs. William Nell, Mrs. Edmond Woodmansee, Mrs. L. P. Reid, Mrs. Ralph Gierhart, Mr. L. F. Everhart, Mrs. Clarence Cash Jr. and Mrs. J. Morris.

Dinner Precedes Circle Meeting

WSCS Circle 12 of Grace Methodist Church, with sixteen members present assembled at the home of Mrs. Earl McNutt for a sumptuous covered dish dinner preceding the regular meeting.

Small tables seated the members for the congenial dinner hour and the meal was served buffet. Later the leader, Mrs. Robert Woodmansee opened the meeting which included the usual reports and plans to provide music representing Switzerland and Russia for the regular "Church Day" in April.

Mrs. Noah Parrett led in the devotions and the program following was in charge of the chairman, Mrs. Keith Garringer who presented Mrs. Ethel Caldwell, who is in charge of religious education at the church and she gave a most interesting talk on a conference of Cincinnati recently which was under the title of "Communicating The Christian Gospel".

At the close of Mrs. Caldwell's talk, a social hour was enjoyed. Mrs. McNutt was assisted during the evening by Mrs. Eugene Heath, Mrs. Richard Gillen and Mrs. Virgil Dwyer.

Guests included were Mrs. George Arnold, Mrs. Dean Powell, Mrs. John Carr and Mrs. Glenn Roberts.

Personals

Miss Lena Smith left Wednesday for Chicago, where she will attend the National Canners Association Convention in session there. She is a guest at the Conrad Hilton Hotel.

Mrs. Flo Passwater of Mt. Sterling is spending this week as the guest of her daughter, Mrs. David Betts and Mr. Betts.

Miss Mary Kathryn Davis returned to her home in Hamilton Thursday after being the Wednesday over night guest of her parents, Mr. and Mrs. W. E. Davis. She also attended the meeting of the White Shrine Wednesday evening.

Mrs. Lela Anderson of Lewiston, Idaho, and Mrs. Roy McCoy of Mt. Sterling, were Thursday guests of Mr. and Mrs. Charles H. Parrett. Mrs. Anderson was called here in January by the death of her brother, Mr. Earl Gillespie, who was an employee of the State Home for the Feeble-minded at Orient. Mrs. Anderson will return to Idaho sometime next week.

Conner Farm Women's Club Holds Meeting

The regular meeting of the Conner Farm Woman's Club was held Thursday afternoon at the home of Mrs. Robert Case.

The president, Mrs. Dale Wilson, presided over the business session and Mrs. Roy Palmer led in the repeating of the Club Creed.

Reports of all standing committees were heard and sixteen members responded to roll call by naming a famous Ohio man or woman.

Plans were made to sew at Memorial Hospital Tuesday February 22 at 2 P. M. and Mrs. Orville Bush announced the Concord Home Demonstration Club meeting to be held at the home of Mrs. Walter Sollars, Thursday, February 24 at 10 A. M.

Mrs. Sam Marting, program leader, read two articles, the first on the life of Lincoln and the second of the origin of St. Valentine's Day which were most interesting.

The meeting was closed with the singing of a hymn led by the president and during the social hour the hostess was assisted by Mrs. Sam Marting, Mrs. Edwin Buck and Mrs. Jean Nisley in the serving of refreshments.

Church Society Is Entertained At Graves Home

Misses Metta and Bertha Graves extended the hospitality of their home to members of the Women's Missionary Circle of First Baptist Church for the regular February meeting.

Mrs. Thomas Cullen, president, called the meeting to order and Mrs. Howard Burnett Jr. led in the repeating of the Twenty-third Psalm, which was followed with prayer by Mrs. John Case.

The devotions were in charge of Mrs. William Rehm who read the First Psalm, a poem entitled, "A Tree Grows High On A Hill" and closed with prayer.

During the business session the regular reports were followed with special reports by Mrs. Otto Reno, who announced that a box of gifts was sent to Ohio girls in the Baptist Missionary Training School in Chicago, and Miss Mabel Briggs told of sending of discarded Christmas cards and devotional books to missions in South Africa and India.

It was voted to send a contribution to a Nicaragua Hospital, and Mrs. Dwight Coffman reported on a civic project the society has adopted.

Mrs. L. B. Rogers read the 121st Psalm as a tribute to Mrs. F. T. McCarty a valued member of the society, who leaves soon for Columbus and a personal gift was presented to Mrs. McCarty.

Miss Mabel Briggs closed the business session with prayer and the program in charge of Mrs. Kenneth Chaney was in the form of a playlet entitled, "Our Home Life," with Mrs. Chaney taking the part "We Work Together," Mrs. Frank Reno, "We Learn Together," Mrs. Bessie Rose, "We Play Together," and Mrs. John Case "We Worship Together" which portrayed the life of a happy family.

Mrs. John Case reading "I Walked In Prayer" and Mrs. Dwight Coffman reading "Christ of the World's Highways", and the singing of a hymn closed the program.

During the social hour the hostesses assisted by Mrs. Myers Kimmy and Mrs. Otto Coil served a tempting dessert course suggestive of Washington's Birthday.

Mrs. Ida Hyer was included as a guest.

Columbus To Study Club Car Bus Plan

COLUMBUS (AP)—Dr. Ivon W. Urey, city public utilities director, yesterday said officials of the Columbus Transit Co. plan to study Cincinnati's "club car bus" plan, for possible use here.

The system uses reserved seats on express buses which pick up passengers at their homes and deliver them to downtown stops.

DCCW Members Dinner Meeting At Church

Members of the DCCW of St. Colman's Church assembled in the church basement for their regular meeting which was preceded by a covered dish dinner.

The meeting later was opened by the president, Miss Mary Francis Snider, with prayer to Our Lady of Good Council.

The usual reports were heard and approved and the reports of standing committees were given as follows: Catholic charities by Mrs.

Betty Byron and religious activities by Mrs. Howard Boylan.

The next meeting was planned for March 18 instead of the regular date of March 16 and will feature a white elephant sale.

Mrs. Joseph Peters president of the altar society announced bake sale for Sunday February 20 at the church following masses.

Since the month of February is dedicated to the Catholic Press, a book review was given by Mrs. Tranquillo Del Ponte, on "The Burning Flame," which is an account of the life of Pope Pius.

City Bowling Tourney Here To Start Sunday

At least 25 teams are expected to be rolling for prizes and glory in the City Bowling Association's annual tournament at Bowland Sunday.

Dick Witherspoon, the secretary of the association, said a deadline is usually set up for entering the tournament, but added that it is so close to the time for the tournament that no teams ever are shut out.

Sunday's team events are slated to get under way at 1 P. M. and continue without interruption until it is completed. Witherspoon said it might be as late as 11 o'clock Sunday night before the last of the pins are sent crashing into the pits.

The tournament's team event was won last year by the Cherry Hotel outfit with a three-game total of 3,146, including the handicap of 279.

On the team captained by Charles Duntton, were Paul Pennington, Ed Vollette, Bill Himmelpach and Bob Scott.

The doubles and singles events

are scheduled for the following Sunday at Bowland.

They are to start at 11 A. M. and probably will not be finished until nearly midnight. These are expected to take a little more time than the team events.

Last year's doubles championship was taken by John Reese and Russell Flax of Jamestown with a three-game total of 1,252, including a handicap of 165.

The singles champion last year was Ralph Warner with a total of 699, including a 48-pin handicap.

All-Events honors went to Bill Ruion with a total of 1,861.

Michigan, Gopher Stars To Clash

ANN ARBOR, Mich. (AP)—A muscle-stacked sophomore just hitting his stride, and a seasoned senior with a deadly touch, clash tomorrow afternoon as Michigan meets Big Ten leader Minnesota in a nationally televised basketball game.

The sophomore is Michigan's Ron Kramer, a converted football end who is described by one Michigan coach as "the best athlete in the Big Ten." The senior is Minnesota's Dick Garmaker, top-ranked scorer in the Western Conference. Their battle will start at 3 p. m.

'Big Klu' Given Dayton Honor

DAYTON (AP)—Ted Kluszewski last night was named by the Dayton Press Club Ohio's outstanding professional athlete for 1954.

The Cincinnati Redlegs first baseman received his trophy from club President Bob Frame. "Big Klu" was selected for leading both major leagues in home runs. He socked 49 homers last season and also led the National League in runs batted in.

Kluszewski, with an estimated \$40,000 salary, is the highest paid Redleg in history.

Tecumseh Coach 'Underpaid', Quits

SPRINGFIELD (AP)—Frank Shannon, basketball coach of Tecumseh High School and a member of the board of directors of the Ohio High School Basketball Coaches Assn., has resigned his coaching job because of what he said was insufficient salary.

While coaching at Tecumseh, formerly Olive-Branch, Shannon had a record of 148 games won, 26 lost. His teams won a share in six straight Clark County League titles and captured four straight county tournaments.

Yanks Dominate World's Skaters

VIENNA (AP)—Future American domination of figure skating, a sport once ruled by Europeans, seemed certain today after a smashing triumph by 19-year-old Tenley Albright in the women's division of the world tourney.

Coupled with the third straight world title won by Hayes Alan Jenkins Wednesday, the victory of the blonde from Newton, Mass., yesterday gave America a clean sweep of the major events in the world championships.

Don Hoak of the Dodgers was married at home plate prior to a ball game at Fort Worth on Aug. 21, 1950.

Freeman Pulls Out From OSU Classes

COLUMBUS (AP)—Basketball ace Robin Freeman, withdrawn from competition last week due to an ankle injury and recurrent colds, yesterday withdrew from Ohio State University until start of spring quarter, March 29.

He said he may reenter the basketball wars next year but plans to spend more time on his studies. He declared:

"I want to become a dentist much more than I want to become a pro basketball player."

AUCTION!

Due to ill health, I will hold a closing out sale of my farm and all personal property, located eight miles south of Lynchburg, six miles southeast of Fayetteville, one mile west of State Route 134, on the Bailey-Barker Road in Highland County, Ohio.

168-A. Highland Co. Farm And Personal Property

TUESDAY, MARCH 1, 1955

BEGINNING AT 12:00 NOON

168-ACRE FARM SELLS AT 2:00 P. M.

This 168-acre farm is well located in a good farming community. A good stock and grain farm with 134 acres tillable, good water supply, and complete set of farm buildings.

IMPROVEMENTS—Six-room, frame, two-story, house with three rooms down and three up. Has large living room, dining room and large kitchen with pitcher pump from good cistern and three nice bedrooms. This is a good substantial house, in excellent state of repair, on a solid foundation, and a lifeline to the farm. Nice front porch, and large yard with several shade trees. Other out buildings, include two barns, one 40x40 with silo and one 24x36, new 26x40 machinery shed and corn crib, two poultry houses, one nearly new, 12x24 tool shed with granary overhead, and single-car garage. This farm lays exceptionally well, drains good, fences are average and is considered one of the better farms in the neighborhood. 25 acres of growing wheat goes with the farm and 26 acres in good clover. Excellent water supply with water to each field and has never known to have been without water. Land is in a high state of cultivation just recently been limed. Here is a farm that will merit the inspection of a buyer looking for either an investment type farm or a farm to live on. INSPECTION—Permitted anytime.

TERMS—\$2,500.00 cash at time of sale, balance on delivery of deed on or before April 1. Immediate possession of the farm, house by April 1, 1955.

21—CATTLE—21

12 WHITEFACE CATTLE—Nine Hereford cows ranging from ages 2 to 6 years old, two with 3-week-old calves, the rest to freshen in early spring, one registered polled Hereford Bull.

9 DAIRY CATTLE—Two Jersey cows, 4 years old, to freshen in April; three Jersey cows, 4 years old, recently fresh and rebred; Brindle cow, 4 years old, recently fresh; Spotted cow, 6 years old, recently fresh; Spotted cow, 5 years old, to freshen by date of sale; seven-month old Jersey heifer, Bang's Heeds.

Four Chester White sows with 28 pigs; two Hampshire sows to farrow in April; Spotted sow to farrow in April; Duroc sow to farrow in April; 32 head of feeder shoats, wt. 75 to 125 lbs., double treated.

FARM MACHINERY

1947 S C Case tractor, recently overhauled with power lift cultivators; 7-ft. tractor disc; John Deere manure spreader; John Deere wheel wagon; Appleton corn shredder; walking breaking plow; Case mowing machine; three double hog houses; three water fountains; several hog troughs; three stock tanks; cattle feed tanks; some field fence; barbed wire; poultry wire; 120 locust posts; 6 braces; 20 rod 4-inch field tile; several cement blocks; six 10-gal. milk cans; milk strainer and milk buckets; and several other miscellaneous items too numerous to mention.

Red Cross Goal Here Is \$9,240

Fund Campaign Now Under Way

A total of \$9,240 will be the goal of the 1955 Red Cross fund campaign in Fayette County, it was announced during the meeting of the drive board of directors Thursday. Of the total, \$4,500 is to stay in Fayette county, with the remaining \$4,740 going to the national organization.

The fund drive is to begin on March 7 and will continue throughout most of the month. Before its all over, an estimated 500 persons will have taken part in making collections.

A house-to-house canvass is planned throughout the county, according to Don Wood, county chapter chairman. Business and industrial firms will also be solicited.

Joe Peters is fund drive chairman. Besides Peters and Woods, others attending the meeting Thursday were Mrs. Fred Cahall, chapter secretary; Mrs. Fred Rost, fund drive secretary; Mrs. William Rogers, chapter treasurer; Mrs. W. Perrill, Fred Rost, W. W. Montgomery, Tom Mark, and Edgar Zimmerman.

Montgomery and Mrs. W. P. Noble of Bloomington have been named chairmen of rural collections.

A financial report shows that the Fayette County chapter spent \$2,989.72 during the past year.

BIGGEST ITEM in the new \$4,500 budget for Fayette County is \$2,250 for the county's pro-rata share of Columbus Regional Blood Center operations. This is an increase from \$1,675.03 which was the actual cost of collecting the blood during the past year. Of the \$1,675.03 spent last year, the county received a reimbursement of \$441.99 from the government defense fund. No such reimbursement is anticipated this year because the emergency of the Korean war has ended, Wood pointed out.

Other items in the budget for Fayette county include financial assistance, \$500; salary, \$450; communication and other expenses, \$250; Recruitment and canteen service, \$250; nursing services, \$50; safety services, including first aid and water safety, \$100; membership and fund campaign expense, \$150; general administration, \$200; and operating facilities, \$300.

Of the \$4,740 goal which will go to the national quota, services to armed forces and veterans will take 47.28 percent; disaster service, 10.47 percent; blood service, 14.95 percent; health, nursing, and safety services, 3.94 percent; junior Red Cross, 1.10 percent, field

ARMY VOLUNTEER Virgil Boggs, 17, was assigned Thursday to Ft. Knox, Ky., for basic training. He left here Wednesday for Columbus and was transferred immediately. He is the son of Mr. and Mrs. Walter Boggs, 813 John Street.

service and financial assistance to chapters, 13.8 percent; international activities, .55 percent; membership and fund campaign expense, 1.26 percent; public information, 1.95 percent; and general management, planning and administration 4.6 percent.

A breakdown of the \$2,989.72 spent by the Fayette County chapter the past year shows that \$410.38 went for assistance to veterans, \$97 of which has since been refunded. Other expenses were salary, \$455.18; phone, \$204.69; telegrams, \$47.77; postage, \$12; net expenses for blood program, \$1,233.04; fund campaign, \$139.11; safety services, \$13.57; home nursing course, \$14; salary, \$260; rent, \$262.50; and miscellaneous expenses \$44.48.

Box Supper Slated By Forest Shade

An old fashioned box supper social is on the calendar for Forest Shade Grangers Tuesday evening.

The master, Wilbur Chrisman, promises a big evening for all. "If you don't expect to have fun," he said, "just ask your grandmother."

The idea is that each guest will bring a box supper and that the boxes will be sold to the highest bidder. The "social" part comes in when the gentlemen sit down to eat with the fair ladies who prepared the suppers they bought.

"Teenagers, bachelors and old maids are especially urged to attend," advises Chrisman.

The time is 6:46 P. M. Tuesday; the place, the new Grange Hall in New Martinsburg.

Proceeds of the sale will go to the building fund for the Hall.

Grange Women Will Bake Cakes

Fayette Unit Enters Corn Show Contest

Recipes for cakes, which women of Fayette Grange will bake to enter in the County Grange baking contest in conjunction with the Corn Show on March 2 were distributed during the monthly meeting of the group Thursday.

Mrs. Naomi Reif, home economics chairman, gave out the recipes and suggested that the unit enter 25 cakes in the competition.

Mrs. Ruth Barney was named chairman of a committee to investigate organizing of a juvenile Grange unit. Also on the committee are Mrs. Roger Acton and Mrs. Osmán King. Mr. and Mrs. Virgil Dwyer were elected juvenile Grange patron and matron.

Mr. and Mrs. Frank Dill, Mrs. Barney and Mrs. Acton conducted a short memorial service and draped the charter for Willard F. Wilson.

Mrs. Everett Allemang, chairman for the Union Township Heart Fund, thanked all members who are taking part in the campaign. The Grange voted a donation to the fund.

MASTER HOWARD Barney appointed Loren Hynes to serve with the executive committee, which will purchase more chairs for the Grange.

A letter from Richard Whiteside, accompanied by a check, thanked 10 members who had served during a recent banquet.

At the invitation of Forest Shade Grange, the Fayette Grange will present a number in the Forest Shade Talent Show on Feb. 22.

Mrs. Dean Powell, lecturer, introduced Mrs. James E. Rose, who showed a film titled "The Human Heart." Mrs. Richard Whiteside read an article on Lincoln, and Mrs. LaVerne Morgan read one on "Washington's Inaugural."

Tables were decorated with a patriotic theme for the potluck which preceded the business meeting. Mr. and Mrs. Loren Hynes were in charge of the supper. They were assisted by Mr. and Mrs.

John Weade, Mr. and Mrs. Robert C. Parrett and Mr. and Mrs. Ernest Chaney.

Robert F. Landon Dies at Home Here

Robert F. Landon, 85, died at 2:45 P. M. Thursday at his home, 511 East Paint Street, following a three-week illness. He had been in failing health for the last five years, however.

A retired farmer, Mr. Landon had come here about five years ago from Portsmouth. He was a member of the Fairview Church in Brown County.

Mrs. Landon died in April of 1950, but he is survived by a daughter, Mrs. Grace McCoy, 513 East Paint Street, and two sons, Herman R. of Boston and Leo of Seaman. He also leaves six grandchildren and eight great-grandchildren.

Funeral services are to be held Saturday at 2 P. M. at the Gerstner Funeral Home. Interment is to be in the Washington C. H. Cemetery.

Friends may call at any time at the funeral home.

Jeff FHA Slates Skating Expedition

The Jeffersonville Future Homemakers of America planned a roller-skating party to be held March 10 when they met recently.

Committees to plan the party were appointed by the president, Anna Mae Coe. Members of the publicity committee are Karen Johnson, June Davis, Sara Sue Davidson and Linda Allen.

Eleanor Orr and Carol Duncan are on the ticket committee and Marlene Pierce, Beverly Sears and Janet Hurley are in charge of ticket distribution. Tickets may be purchased from any member, the girls announced.

A donation was made to the heart fund after the Valentine exchange.

At the close of the meeting, Linda Allen, Karen Johnson, Sara Sue Davidson, June Davis and Nancy Bowers served refreshments.

Money wages received by the worker in a year are enough to buy about six pairs of men's shoes says average Russian collective farm the S. Y. S. Information Agency.

Staunton PTO Earns \$185.84

Project Proceeds Reported At Meet

As member of the Staunton PTO met Thursday evening, they learned that their treasury was richer by \$185.84 as the result of a sale of brushes and cosmetics by school students.

Top salesmen among the youngsters received prizes. Karen Sue Haines was awarded first prize; Betty Vance, second, Phillip Bush, third; and Jimmy Fletcher, fourth.

Another \$104.34 came into the treasury from the fox drive luncheon held Feb. 12. The bounty of \$2.50 for the one fox killed is included in the total, said Mrs. Kenneth Bush.

Mrs. Delbert Kimmey, president of the PTO, led the business meeting. Much of the meeting was devoted to planning a square dance. Mrs. Emerson Marting will head the committee to arrange details.

Donations for the school lunch program were made by Mrs. Herbert Pollard, Mrs. John Sears and Mrs. Emerson Marting.

The program and refreshments were provided by Mr. and Mrs. Marion Waddle, Mr. and Mrs. Ottie Smith, Mr. and Mrs. Glenn Smith, Mr. and Mrs. Herbert Pollard, Mr. and Mrs. Scott Schilling, Mr. and Mrs. Robert Haines, Mr. and Mrs. Dennis Hawk and Mr. and Mrs. George Henry.

Members of the program and refreshment committees for March will be Mr. and Mrs. Charles Ellis, chairman, Mr. and Mrs. Ralph Shumaker, Mr. and Mrs. Dean Frye, Mrs. Ed. Ferguson, Mr. and Mrs. Henry Ford, Mr. and Mrs. Warren Brannon, M. and Mrs. Roscoe Mullens and Mrs. Mary Morris.

Red Cross Report For Year Is Made

A report on activities during calendar year 1954 shows that the Fayette County Red Cross chapter handled 150 homes cases, including health welfare reports, emergency leave verifications, claims assistance and others.

Volunteers put in 1,293 man hours on the blood program. The breakdown by groups was doctors, 45 hours; registered nurses, 243; practical nurses, 105; staff aides, 300; motor service drivers, 180; and canteen workers, 420.

A total of 629 pints of blood were collected during the visits of the bloodmobile to the county. However, 637 pints were withdrawn from the regional blood bank. The county hospital returned 86 pints to the bank.

Swimming certificates numbered 42, junior life saving certificates, 4; senior life saving

certificates, 6; and home nursing certificates, 23.

Three Picked Up During Thursday

Police arrested three persons Thursday, two of them while using the electric timer on Clinton Avenue.

Vernon Carter Barnhill, Scotland, Neck, N. C., was picked up for running a red light, and Harry F. Jablon, Toledo, for driving 40 miles in a 25-mile zone.

Charles T. Collins, Cincinnati, was arrested on a reckless operation charge. All were to appear in municipal court Friday.

Georgi In 'Pickle'

CHICAGO (AP)—Georgi Malenkov, deposed Russian premier, has been named "Man in the Biggest Pickle" by the National Pickle Packers Assn.

Meeting of Commercial Club Is Held Here

On February 16, the Commercial Club of Washington High held its meeting at the home of Beverly Baer.

The meeting was called to order by president, Patty Allen. February 21 was set as the deadline for ordering pins.

Plans for a picnic, to be held late in April, were discussed. A story on advertising was read by Mary Ann Welty. An advertising slogan game was played by the members.

The next meeting will be held at the home of Miss Jane Trent, 815 N. North Street on March 9, 7:30 P. M.

Refreshments were served by Mrs. Baer at the end of the meeting.

Your property insurance agent is an independent businessman.

He places his business with a number of fire, casualty and surety insurance companies whose franchise he holds.

He operates a retail business which makes it possible for you to obtain the kind of protection you need from the right kind of companies, in the proper amount when you need it.
